

BOTE

BOTE specializes in the design, development,
manufacturing and sales of infant feeding products,
backed by 10 years of baby-care and bottle experience.
Core products include PPSU baby bottles,
Tritan kids water bottles and silicone feeding parts.

Production uses Aoki blow molding machines from Japan
and Arburg injection molding machines from Germany.
Facilities include a Class 100,000 cleanroom,
clean laboratory and product testing center.
The company is ISO 9001 certified.

BOTE serves customers across global markets
and works with brands including Disney, Hello Kitty
and KUB.
